February 21, 2013

Asia Pacific Regional Internet Governance Forum (APrIGF) has been held annually since initiated in 2010. It serves as a platform for aggregating IGF related discussions and collaborations at the regional level which ultimately advances the Internet governance development in Asia Pacific.

APrIGF Steering Committee Meeting Schedule
February 21, 2013

To those who attended, thanks for your time on the teleconference today. For future meetings, a 2-weekly schedule was suggested, on Fridays at 0400 UTC.
